CHOOSE CHRIST

Our readings this week show us that there can be a temptation to choke the power of the Spirit by focusing too much on the “weeds in the forest”. It is possible to adhere so rigidly to the “letter of the law” that the opportunity for God to work in our lives is eliminated. In essence, we suffocate the Spirit because we like control and like to keep things comfortable and unchanged. **We miss the bigger picture of God’s work.** Ask God where you are resisting necessary Spirit-filled change in your life, and ask Him for the grace to trust His ultimate plan and how He is moving in you! Don’t be ashamed if you find an area where you feel you might be suffocating the Spirit... trust God and let Him in, for you are so loved by Him.

In Christ,
Seminarian Brandon Feikles
